CONSENT FOR TREATMENT

I, the undersigned, voluntarily consent to the use or disclosure of my protected health information by Focus Physical Therapy, Inc. for the express purpose of providing treatment, obtaining payment for my health care costs or to conduct health care operations. I understand that treatment may be conditional upon my consent.

I understand that I have the right to request a restriction as to how my protected health information is utilized or disclosed in order to carry out treatment, receive payment or other health care operations of the clinic. Focus is not obligated to agree to my stated restrictions. I understand that should Focus agree to my stated restrictions that it will be binding on Focus and my physical therapist. I have the right to revoke this consent in writing, at any time, except to the extent that my physical therapist and Focus have taken action in reliance on this consent.

My protected health information consists of any health information, including my demographic information, collected from me and created or received by my physical therapist, other health care providers, a health plan, my employer, or a health care clearinghouse. This protected health information may relate to my past, present or future physical or mental health or any other condition that identifies me, or when there is a reasonable basis to believe the information may identify me.

I authorize the release of any medical information necessary to process my insurance claim(s) and also certify that all insurance information given to this clinic is correct and complete.

I have personally received a copy of the Notice of Privacy Practices prior to signing this Consent for Treatment. This notice describes the variety of uses and disclosures of my protected health information that may occur during my treatment with Focus. The notice also outlines my rights and responsibilities with respect to my protected health information. I understand that Focus has the right to alter their Notice of Privacy Practices at any time. When changes are made to the policy, Focus will notify me in writing upon my next visit.

I hereby authorize Focus to administer treatment as is necessary. I also certify that no guarantee or assurance has been made as to the results that may be obtained. I understand and agree that health and accident insurance policies are an arrangement between an insurance carrier and myself. Furthermore, I understand that this office will prepare any necessary reports and forms to assist me in making collection from the insurance company and that any amount authorized to be paid directly to this office will be credited to my account upon receipt. I permit this office to endorse co-issued remittances for the conveyance directly to me and that I am personally responsible for the payment.

I hereby authorize the insurance company/insurance administrator to pay by check or electronic funds transfer (EFT) and for it to be mailed directly to Focus the expense benefits allowable, and otherwise payable to me under my current policy, as payment toward the total charges for professional services rendered, and I have agreed to pay, in a current manner, any balance of professional charges.

I direct my attorney to pay any outstanding expenses from my settlement, and in effect, protect any such balance. I fully understand that I am directly responsible for all medical bills and this agreement is made solely for the physical therapist's additional protection and consideration for his/her awaiting payment. I further understand that such payment is not contingent on any settlement, judgment or verdict by which I may eventually recover. I have been advised that if my attorney does not wish to cooperate in protecting this physical therapist's interest, the physical therapist will not await payment, but require me to make payment on a current basis.

SHORT-NOTICE CANCELLATION AND MISSED-APPOINTMENT POLICY

Thank you for choosing Focus Physical Therapy, Inc. for your care! We pride ourselves in our expert team and specialized care and will tailor your treatment to your specific needs in each one-on-one, hour long appointment. Your appointment time was scheduled exclusively for you and in an effort to best accommodate your schedule. We ask for the same courtesy and will do our best to make sure that we run on time and make each appointment valuable to you and your needs. As a result of the time and energy placed into your treatment plan, we require a 24-hour cancellation notice.

SHORT-NOTICE CANCELLATIONS

Emergency situations and personal illnesses do occur that may make it impossible to keep a scheduled appointment. In those instances, we will not charge you the missed appointment fee of \$35. Please be advised that a second cancellation of an appointment outside of the required 24-hour notice period will result in a fee of \$35. The cancellation fee is not billable to your insurance provider and is your responsibility. You may call any of our offices at any time to speak with a representative or to leave a message on our answering machines to notify us of any changes to your previously scheduled appointment. Keep in mind that should your therapist encounter an emergency situation or become ill and your appointment is rescheduled as a result, you will not be assessed a fee.

Additionally, when patients do cancel appointments, we will make every effort to minimize the impact to our therapist's schedules. We may, on occasion, contact patients to see if moving them to another time is convenient for both parties. If you are able to accommodate we sincerely appreciate your flexibility. By the same token, if you find that you have a schedule change that conflicts with your previously scheduled appointment, we encourage you to call as quickly as possible to reschedule. If the required schedule change falls outside of the 24-hour notice period but one that we can easily accommodate you will not be assessed the cancellation fee of \$35.

If we are billing a workers' compensation carrier or motor vehicle insurance provider for an existing claim, you cannot be assessed a cancellation fee for missed appointments. Please be advised that we may elect to discontinue your treatment after three missed appointments for those who do not adhere to our policy.

MISSED/NO SHOW APPOINTMENTS

Any missed appointment without notice, unless it falls under one of the exceptions mentioned above, will be charged at \$80 to your account and is not covered by insurance.

If we are billing a workers' compensation carrier or motor vehicle insurance provider for an existing claim, you cannot be assessed a cancellation fee for missed appointments. Please be advised that we may elect to discontinue your treatment after repeated late or missed appointments for those who do not adhere to our policy.

FINANCIAL POLICY

Welcome to Focus Physical Therapy, Inc.! In an effort to make ensure your rehabilitation and treatments with Focus are as stress free as possible we have established a clear financial policy. Below outlines information specific to all aspects of the financial responsibility associated with your recovery. Please read carefully and sign where indicated. A copy of this form will be issued to you upon request.

Focus partners with most regional insurance plans. If you are not insured by a plan that we conduct business with payment in full will be expected at each visit. All patients are encouraged to contact their insurance provider for verification or clarification of allowed benefits. Knowing your insurance benefits is your responsibility. In most cases, Focus will bill your provider, however any account balance incurred with Focus is legally your responsibility. The adult, parent or legal guardian accompanying a minor dependent is financially responsible for all services rendered by Focus and agree to all terms listed herein.

If Focus will be billing a workers' compensation carrier or motor vehicle insurance provider it is imperative that we receive your claim information as quickly as possible. We will also require a copy of your personal insurance information in the event that your workers' compensation or motor vehicle accident claim is denied.

Should your account become overdue our policy is to turn the account over to a collection agency. Any legal fees paid to secure overdue balances will be added to your account and treatment with our facility may be terminated.

Terms of Agreement

I, the undersigned, hereby agree with the following:

- All co-payments and deductibles must be paid at the time of service. This arrangement is part of my contract with my insurance company. Failure on the part of Focus to collect co-payments and deductibles from patients may be considered fraudulent. I agree to pay my co-payment and/or deductible at each visit.
- I am aware that some, and perhaps all, of the services/equipment I have received may be non-covered, denied by my carrier or not considered reasonable or necessary by Medicare or other providers. I understand that I am financially responsible for all charges not paid by my insurance company.
- I will present a copy of a current, valid insurance card to provide proof of my existing insurance coverage. I will notify Focus of any change in my information, including but not limited to, address, phone number or insurance coverage.
- My insurance company may need for me to supply certain information directly. It is my responsibility to comply with all requests. I am aware that insurance coverage does not guarantee payment of services.
- I certify that I (or my dependent) have insurance coverage as provided to Focus and assign directly all insurance benefits, if any, otherwise payable to me for services rendered. I understand that I am financially responsible for all charges not paid by my insurance provider. I hereby authorize the release of all information necessary to secure the payment of benefits. I authorize the use of this signature on all insurance submissions.
- I understand that I may be assessed a charge of \$80 for no show appointments and \$35 for not canceling within 24-hours of my scheduled appointment time. These charges are my responsibility and not covered by my insurance.
